

## North Dover Dental Discount Dental Plan

**NO insurance? No problem.**

Our Discount Dental Plan has been developed to deliver quality dental care services to families like yours, at prices that make sense for today's economy.

### Who is eligible?

- Anyone and everyone regardless of their dental condition.
- People who have met their annual maximum limit under traditional insurance plans.
- If a member should become covered by a traditional dental plan or Medicaid then this plan becomes null and void with no refund of fees.

### When do the benefits begin and end?

Benefits begin immediately after the annual enrollment fee has been paid

Benefits will be valid for one year from date of enrollment.

Re-enrollment fee will be due annually if you desire to keep your benefits.

### Enrollment fee

\$99 for single member

\$30 for each additional dependent member (child/spouse)
